C. Henri Leonard : The Hair: Its Growth, Care, Diseases and Treatment (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hair: Its Growth, Care, Diseases and Treatment (Classic Reprint):

0 of 0 people found the following review helpful. Three StarsBy Mr. C. D. GoldbergAn interesting book, but I don't recall seeing any illustrations.

Excerpt from The Hair: Its Growth, Care, Diseases and TreatmentThe present treatise has engaged the attention of the Author for the past six years. Since it is intended especially for the general public as a guide in the self-treatment of the many ailments that may affect one's Hair or Beard, the Author has, so far as possible, avoided purely techni cal terms. In order to still further popularize the book, he has, also, at the risk of tautology, translated each prescription into its common English equivalents.About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books.
